

We give opportunities for people with support needs to achieve their ambitions and dreams through social, enterprise and vocational pathways.

## MISSION

To see people for their uniqueness, and offer a first class service for inspirational growth and development.

## VISION

To be a leading provider of high quality provision and training in the learning disability sector.

## ABOUT US

Innovations is a project that enables people with support needs to explore life and employability skills through enterprise and vocational pathways.

Alison Bentley and Yvonne Patel have many years of experience in the Learning Disability and Social Care environments, in both teaching and managing.

Innovations staff are qualified tutors that work alongside other agencies to ensure group members maximize their progression.
